NEW STUDENTS

Students who have never enrolled at Sul Ross State University will apply for admission at www.applytexas.org. If a student is accepted, notification will be made by mail as well as a courtesy call, and will complete all admissions requirements before registering for courses. Students must have 42 transferable semester credit hours and a 2.0 grade point average or greater for admission.

Official transcripts from each college or university attended are sent to the Office of Admissions. For inquiries concerning admissions, call 830.279.3029.

Contact the Administrative Assistant on your campus to discuss getting your degree plan that will include your assigned faculty adviser. Sul Ross has implemented faculty advising and you will need to consult your adviser before registering for classes each semester.

LOBO PASS ACCOUNT SET-UP

In order to better manage student records, all campus registration is conducted online via the Banner system.

First set up your account. **Your Lobo ID number** begins with "A" and is listed on the label of your acceptance letter.

- Your **PIN** is your date of birth – mmddyy
- Go to lobopass.sulross.edu and complete the right side of the Lobo Pass
- Create a password
- Use your Lobo ID and password to apply for scholarships, log in to Blackboard and your email, and access account information. It is also used to log on to a campus computer.

REGISTERING FOR CLASSES

On any computer connected to the Internet, log into mySRSU at www.sulross.edu and choose *LoboOnline*. It will take you to Banner, and from there, choose the *Student* tab, *Registration*, and then *Register, Add or Drop Classes*. If you've forgotten your User ID and PIN, please contact IT Support (1-432-837-8888 from off-campus).

REMEMBER: You will need to have visited with your adviser prior to this point.

Selecting Courses

Search by subject, course number, title, schedule type, campus, instructor, time/day, or part of term. You must select at least one subject.

Press the shift and down arrow to highlight and select courses. Use the same procedure to search other subjects, such as course schedule.

A box appears to the right of all classes that are available for registration. Please check the box to select the course. Press *Register* to add your name in the class. To make changes, use the *Reset* button. A letter "C" in the box denotes the class is closed.

If you know the course number for the courses in which you wish to enroll (look to the right of the schedule entry for the course), you may enter the CRN in the boxes on the first page. When you finish course selections, all of your classes should appear on the screen. Print this page for reference—you will receive no other confirmation of your schedule.

WEB COURSES

Web courses (courses offered online) are not self-paced and require considerable work in order to meet requirements. Students should be prepared to devote approximately 12 hours per week to accomplish the work required for a 3-hour class i.e. the student should devote approximately the same study time for an online course as would be spent in a regular class with outside work requirements—a measure generally calculated at 3 hours outside work for each hour in class. Students must have a high-speed internet connection available on a regular basis for course work and other assignments whenever University computer laboratories are not open. Computer labs are open Mon.-Thurs., 8 a.m.-9 p.m., and Fri. 8 a.m.-5 p.m. University computer labs are not open on weekends, but some computer work may be done from the SWTJC libraries. A student who fails to participate in assignments during

any one work period may be subject to being withdrawn from class and given a grade of F. Web courses are accessed through Blackboard under mySRSU. The login is your official Sul Ross email address and password. If you have not obtained an email address, call the University Help Desk at 888-691-5071. Tutorials for instruction on use of the Blackboard server are available on the Technology Help Page at <http://www.sulross.edu/page/2509/using-blackboard-9>.

MAXIMUM COURSE LOAD

The maximum course load includes the total semester hours earned at all institutions and from all colleges and universities. This includes Southwest Texas Junior College, Sul Ross/Alpine, correspondence courses, and/or extension courses. Transfer credit may be refused for courses that are completed concurrently with courses at the Del Rio, Eagle Pass, and Uvalde campuses when the combined total exceeds the maximum allowed.

Undergraduates—Maximum course load: 21 semester hours per fall or spring term, 8 semester hours per summer term.

Graduates—Maximum course load: 15 semester hours per fall or spring term, 7 semester hours per summer session, not to exceed 12 hours per summer term.

TEXTBOOKS

We contract the services of the Texas Book Company as the exclusive provider of all course textbooks. Obtain book vouchers at the Business Services Department. All book purchases are conducted online at www.sulrossbookstore.com.

OFFICIAL EMAIL ADDRESS

Students are assigned an @sulross.edu email account. This is the official means of communication and as such provides an online identification key and an official University email address. The University uses this email address for correspondence including policy announcements, emergency notices, event notices, financial aid information,

course syllabi and requirements as well as correspondence between students and faculty. Students are required to regularly check and respond to email messages from the university.

PROPERTY DEPOSIT

State laws provide that each institution shall collect a reasonable amount not to exceed \$10 for damage to laboratory and library facilities. The deposit will be collected at the first enrollment. At subsequent enrollments, students may be required to replenish the deposit to maintain the level of \$10. A student may recover the deposit at the end of the student's enrollment at Sul Ross State University, or at graduation by completing a Deposit Return Request within four years of termination. Deposits not refunded become a part of the scholarship fund.

VETERAN'S BENEFITS

In order to use your VA benefits, you must provide the Records and Registration Office with a copy of your VA eligibility letter. Before certification, you will need to obtain a degree plan and register for classes. Once those steps are completed, contact Melissa in the Records and Registration Office, (830) 758-5041, or msalazar@sulross.edu, for certification of your benefits.

CHANGE OF ADDRESS

Sul Ross State University requires current mailing addresses for students. Below is a list of the various address types currently in use and how they are used by Sul Ross State University.

Permanent Address

Your permanent address is a mailing address at which you can be contacted indefinitely. This address was collected from your application for admission and may be a parent's address (although it does not have to be). This address can be viewed but not updated in LoboOnLine. Middle Rio Grande Campuses students must submit the RGC Change of Information Form.

How this address is used

- If a student does not elect to receive the 1098T electronically, Sul Ross will use this address for mailing of the

1098T (an important tax document).

- If a local mailing address is not provided or invalid, the permanent address will be used for official communication regarding your status at Sul Ross (see below).

Local Mailing Address

Your local mailing address is the address at which you receive mail. This may be a temporary Alpine address but could also be the same as your permanent address. This address can and should be updated in LoboOnLine as your mailing address changes. For instance, a student may elect to receive mail at a campus post office box during the fall and spring semester, but have mail go to a different address in the summer.

How this address is used

- Sul Ross will use this address preferentially for all official communication (intended for your eyes only) regarding your status at Sul Ross (financial aid notifications and refunds, academic standing information, disciplinary actions, etc.).

- If a local address is not provided, invalid, or inactivated, the permanent address will be used for official communication. If you do not want official communication going to someone other than you, make sure you keep your local address current.

How to Submit a Change of Address in LoboOnLine

Go to the LoboOnLine page and select **Log In** - Registration (use your Student ID and the PIN), just like you would do to register.

1. On the main menu page, select **Personal Information**, click on **Update Addresses**. Then you can select to edit an existing address or add a new one.

2. Make the necessary corrections and click Submit.

3. These changes are instantaneous in our Student Information System.

Change of Address Using the Change of Information Form

You may also change your address using the **Change of Information Form**. Stop by the Center to complete the form in person, or print, complete and mail

the form below to: Middle Rio Grande Campuses, 3107 Bob Rogers Dr., Eagle Pass, TX 78852

STUDENT DIRECTORY INFORMATION

The following items are classified as information for the Student Directory: Student name, local and permanent mailing address and telephone listing, date and place of birth, major and minor field of study, classification, degrees and awards received with dates of attendance, and the most recent previous educational institution attended. This information will be released by various campus offices periodically or published in the appropriate University directories unless a written request from the student for exclusion of information is received by the Office of the Registrar on or before the last day for late registration and schedule changes. See the Academic Calendar.

PARKING

Required parking permits for Del Rio, Eagle Pass, and Uvalde students may be obtained from SWTJC.

ADMISSION TO TEACHER EDUCATION PROGRAM

All students seeking teacher certification through the Educator Preparation Program in Del Rio, Eagle Pass, and Uvalde, must make application for the admission to the Teacher Education Program and schedule an interview with the Director of Teacher Education (TAC 227.10). Professional Education courses cannot be taken until the minimum requirements have been met and students are admitted into the Teacher Education Program. For information, contact the Director of Teacher Education or the Testing/Certification Coordinator.
