Flag Football Rules

Flag football games will be conducted under the rules of the NIRSA. This document covers the major rules with some exceptions:

THE FIELD, THE PLAYERS, AND EQUIPMENT

1. The field shall be a rectangle 100 yards by 40 yards, including two 10-yard endzones. The width of the field shall be lined at 20-yard intervals from goal line to goal line. The 3 and 10 yard try for point lines shall be 1 yard wide.
2. Seven players constitute a men's or women's team. A team may play with five (i.e., team must start if five players are present). If fewer than five players are present, the game will be declared a forfeit. If at anytime a team falls below the minimum number of players, the game will be declared a forfeit.
3. A player's name must appear on the scorecard before he/she may enter the game. A team may add players to the scorecard at anytime during the game.
4. Shoes must be soft-soled soccer/football type cleats or cross-country, tennis or Astroturf shoes. Cleats must be made of nonabrasive rubber or rubber-type synthetic material, which does not chip or develop a cutting edge.
5. The use of headgear, jewelry, shoulder pads, body pads or any unyielding or dangerous equipment is prohibited. Players may wear a knit or stocking cap and use soft, pliable gloves if they desire. No baseball style caps or bandannas may be worn at anytime.
6. Tape or bandage on the hand, wrist, forearm, or any other part of the body is prohibited except to protect an injury. Under no circumstances will a player wearing a cast or splint be allowed to play. Braces with exposed metal parts must be covered.
7. Each team must wear the same type of jersey or shirt. If not, jerseys will be provided but may not always be clean. The jersey must be tucked in at all times or be at least 4 inches above the flag belt.
8. Belt loops, pockets, exposed drawstrings, or untucked hoods on sweat tops are illegal.
9. The flag belt must be free of all knots.

10. Any decision on the legality of any equipment on or being used by a player will be made by the manager on duty and his/ her decision will be final.

THE TOSS AND OPTIONS

Three minutes prior to the start of the game, the referee shall toss a coin and the visiting team captain shall call the toss. The winner of the toss shall have offense, defense, direction, or defer their option until the second half. The team losing the toss shall have the choice of options at the start of the 2nd half, unless the team winning the toss deferred their option until the second half.

PERIODS, TIME FACTORS, AND RESTRICTIONS BEFORE THE SNAP

1. Playing time shall be of 40 minutes duration, divided into two halves of 20 minutes each. Half-time shall be 5 minutes long. In case of overtime, there will be a one-minute intermission between the end of the game and the overtime. Time shall run continually throughout the entire game until the final 2 minutes of the both halves. During this period, the clock will stop under all normal dead ball situations. The referee shall have discretion to reduce the length of half-time if conditions deem it necessary.

NOTE: Overtime will only be played in the playoffs. In case of a game ending in a tie, the two captains will determine the options by a coin flip. The options are the same as the start of the game. The home captain will call the toss. Teams will alternate choices if additional overtime periods are played; however, all overtimes will be played toward the same goal. Each team will be given a series of downs from the 10-yard line. The goalline shall always be the line-to-gain in overtime. **If the defense secures possession of the ball, the ball is dead, and the series is over. The ball will be placed at the 10-yard line, and the defense will begin their series.** If Team A scores, a try will be attempted. **If the defense secures possession of the try, the try ends.** Each team is entitled to only one time-out during the entire overtime.

2. MERCY RULE: If a team is 19 or more points ahead when the referee announces the 2 minute warning for the second half, the game shall be over. The same rule applies if a team scores inside 2 minutes with this differential.
3. Each team will be permitted 3 time-outs per half; these time-outs shall be 1 minute in length. First half time-outs do not carryover to the second half.
4. The referee may start or stop the game clock whenever, in his/ her judgment, either team is trying to conserve or consume playing time by using illegal or unfair tactics.

5. No offensive player shall make a false start. A false start includes simulating a charge or start of a play.
6. Following the ready-for-play, it is encroachment for any player to break the scrimmage line plane, except for the snapper's right to be over the ball.
7. After the ready for play whistle, it is illegal to consume more than 25 seconds before putting the ball in play.
8. Players can enter and leave the game, as many times as they want to, but substitutions must be made during a dead ball.
9. All offensive players must have momentarily been within 15 yards of the ball after the ready-for-play.

KICKING THE BALL

1. Punt Line-ups - The offensive team must have at least 4 players on their line of scrimmage at the time of the snap. Neither team may cross the scrimmage line until the ball is kicked. The defensive team may block the punt. No fake punts are allowed.
2. Kicking the Ball - The kicker must be at least 2 yards behind the line of scrimmage when receiving the snap. After receiving the snap, the kicker must kick the ball immediately and in a continuous motion. If the punter delays the kick, the referee will enforce the "attempting to consume time" rule. Penalty: 5 yard penalty for illegal procedure, reset the game clock to the previous playing time and start the clock on the snap.
3. Opportunity to Catch Kick - A player of the receiving team who is within the boundary lines and who is so located that he could have caught a free kick or a scrimmage kick which is beyond the neutral zone while such a kick is in flight must be given an unmolested opportunity to catch the kick. The protection terminates when the kick is touched by any player of the receiving team or the ground. If K catches a muff, the ball is dead and belongs to K.
4. During a punt, if R fouls beyond their neutral zone before the end of the kick, the foul will be enforced where the kick was caught. If the kick ends in the end zone, it will be enforced from the 14 yard-line.
5. **Punt behind the goal line - When a punt breaks the plane of R's goal line, it is dead and declared a touchback.**

SNAPPING, PASSING, AND DEFLAGGING

1. A team shall snap the ball from their 14 yard-line to begin each half and following a try for point, safety, or touchback.
2. The player who receives the ball from snapper must be at least 2 yards behind his/her scrimmage line. The snapper shall pass the ball back from its position on the ground with a quick and continuous motion of the hand(s). It is illegal for the snapper to snap the ball to himself/herself.
3. The offensive team must have a minimum of 4 players on the line of scrimmage at the time of the snap. The offensive team must come to a complete stop for one second before ball is snapped. After this, only one person may be in motion at a time. This person may not be in motion toward the opponent's goal line at the time of the snap.
4. If the ball is fumbled, it is immediately dead upon hitting the ground. No advancement can be made by either team. A fumble going out of bounds without hitting the ground remains in possession of the fumbling team at the spot where fumbled or wherever the ball went out of bounds. INTERPRETATION: A team may not intentionally fumble the ball forward to gain yardage.
5. All players are eligible to touch a forward pass. The passer may catch his/her own forward pass after it has touched another player. Only one legal forward pass may be thrown per down from behind Team A's scrimmage line. The offensive players are responsible for retrieving the ball after a down has ended. Officials are not responsible for retrieving the ball.
6. A forward pass is a live ball thrown towards the opponent's goal line. A backward pass is a live ball thrown parallel or towards the passer's goal line. A backward pass hitting the ground is ruled the same as a fumble.
7. A catch is established when a player possesses the ball with one foot in bounds.
8. If a forward pass or backward pass is caught simultaneously by members of opposing teams, the ball is dead and belongs to the offensive team.
9. It is illegal to attempt to steal a ball in any player's possession. Once a player has obtained possession of the ball, his/her opponent must play for the flag not the ball.
10. Defensive players must not contact the passer anytime during or after the play. Rushers may try to deflect the ball, but they may not contact the passer even if the

ball is deflected. Penalty: 10 yards from end of related run if run ends beyond the line of scrimmage and there is no change of possession (if not, previous spot), automatic first down.

11. After the ball is snapped and until it has been touched by a receiver, there shall be no offensive pass interference beyond Team A's scrimmage line. Penalty: 10 yards, loss of down.
12. After the pass is thrown, and until it has been touched, there shall be no defensive pass interference beyond Team A's scrimmage line. Penalty: 10 yards, automatic first down.
13. If a player is purposely deflagged before the legal forward pass is touched, it is pass interference.
14. Removal of the flag belt - The player is considered down when the flag clip is broken, the flag belt is torn into more than one piece, or the flag is torn off of the belt. If the flag inadvertently falls to the ground, a one-hand tag between the shoulders and knees constitutes capture. The runner is also down if any part of his body touches the ground other than his feet or hands.
15. No players shall place the ball, hand, arm, or shoulder over the flag or flag belt to place the opponent at a disadvantage when attempting to deflag a runner.
16. The offense will receive a series of 4 downs to advance the ball to the next zone line to gain for a first down.
17. Any player may hand the ball forward at any time.
18. If there is a foul by the defensive team during a down which results in a successful touchdown or Try, the penalty will be enforced from the location where the ball will next be snapped.
19. The half may end if a loss of down foul is committed during the last play of the half.
20. There shall be two inbounds lines (hash marks), which will run parallel with each sideline and be located 15-yards "in" from each sideline. All plays must be started by a legal snap from a spot on or between the inbounds lines. Team A may designate the spot from which the ball is put in play anywhere between the inbounds lines to start each half, for a try, following a touchback, safety, try, awarded catch after a punt, and for the start of each series using an overtime procedure. Other than these times, the ball will be spotted when the ball is declared dead between the inbounds lines or brought to the nearest inbounds line if declared dead in the side zone (the area between the inbounds line and the

sideline).

21. If there is a foul by the defensive team during a down that results in a successful touchdown, the scoring team may choose to have the foul enforced at the succeeding spot or the 14-yard line.
22. The kicking team may bat an airborne punt beyond the Team A scrimmage line toward their own goal line.

SCREENING, RUSHING, AND CONTACT

1. Contact that places either team at a disadvantage is illegal.
2. An offensive player may screen a defensive player by maintaining a position in their path. The offensive player in maintaining position may not move in such a manner as to initiate contact with the defensive player. Nor may the defensive player contact the offensive player with an extended arm, shoulder, hip, or knee. The concept of screening and rushing is similar to blocking and charging in basketball in most but not all cases.
3. Down field screens are allowed.

SCORING

- | | | |
|----|-----------------|---|
| a. | Touchdown | 6 points |
| b. | Safety | 2 or 1 point(s) |
| c. | Trys for points | 1 point from 3 yds.
2 points from 10 yds.
3 points from 20 yds. |

NOTE: The try ends when B secures possession.

Touchdowns will be verified by the official deflagging the player. If the flag does not come off and the official determines the flag belt has been illegally secured, the touchdown is disallowed. The player is disqualified, and it is a personal foul. Penalty - 10 yards from the previous spot and loss of down.

MISCELLANEOUS ITEMS

1. There can only be protest over a player's eligibility or a rules interpretation. An official's judgment call cannot be protested. Protest concerning eligibility must be made before, during, or immediately following the game. Protest concerning a rule interpretation must be made immediately following the play in question. The manager decision is final. Only players of the offended team will be allowed to

protest.

2. A team will have a 10-minute grace period from the scheduled game time to arrive with the minimum number of players to avoid a forfeit. At the scheduled game time, the supervisor will start the game clock. For every minute the team is not ready to begin play, the offended team will receive one (1) point. When the team arrives with the minimum number of players and is ready to begin play, the score will reflect the point(s) awarded due to the lateness of the team, and the clock will not be reset. If the team has not arrived within 10 minutes, they will forfeit the game. The game will be recorded as a forfeit with a score of 10-0.
3. All teams advance to the playoffs.
4. Accumulation of three unsportsmanlike penalties by the same team will constitute a forfeiture of the game.

SUMMARY OF CORECREATIONAL FOOTBALL RULES

1. The Game – The game shall be played between 2 teams of eight players, four men and four women. Teams with seven players shall be four men and three women or three men and four women. Six players, three men and three women or four women and two men or four men and two women, are required to avoid a forfeit.
2. The Ball – The regular, intermediate, youth, or junior size football shall be used.
3. Minimum Line Players – The offensive team must have at least five players on their scrimmage line at the snap.
4. Male Runner – A Team A male runner cannot advance the ball through Team A's scrimmage line. There are no restrictions: during a run by a male once the ball is beyond the Team A scrimmage line; during a run by a female; and after a change of possession.
5. Male-to-Male Completion – During the offensive team's possession, there may not be 2 consecutive legal forward pass completions from a male passer to a male receiver. This rule applies to the try. If a male passer completes a legal forward pass to a male receiver, the next legal forward pass completion must involve either a female passer or a female runner for positive yardage. The spot where the ball becomes dead by rule must be beyond the Team A scrimmage line. There are no other restrictions concerning a male passer completing legal forward passes to a female receiver, for female-to-female, or female to male. Any foul, whether accepted or declined, shall have no effect on whether the next legal forward pass

completion is “open” or “closed.” If the crew of officials erroneously indicates the open/closed status of a down, the play is nullified and the down will be repeated.

6. Illegal Forward Pass – If a female passer completes a forward pass to a male receiver behind the Team A scrimmage line and any Team A male runs beyond this scrimmage line, it is an illegal forward pass.
7. Mercy Rule – If a team is 25 or more points ahead when the Referee announces the 2-minute warning for the second half, the game shall be over. If a team scores during the last 2 minutes of the second half that creates a point differential of 25 or more points, the game shall end at that point.
8. Touchdown Value – If a female player scores a touchdown, the point value is 9. If a female player throws a legal forward pass and a touchdown results for Team A before a change of team possession, the point value is 9.
